

My dear Mrs. Manley:-

I am going ahead with the 2 posters for Hartford and Chicopee.

In order to put the Union Label on, I had to go to a Union Printer and he consented to work along with me. But, I will have to increase the price just a slight more. It is not so much, but its the best I can do because Union Printers demand higher prices for their work.

I will mail you the advertising samples in a few days along with the price, so please do not worry about the price, maybe its 1 dollar more. I do not know as yet. Yesterday I went to Washington

Homestead looks very weak
behind the bat. They are sure to
miss Josh plenty.

All in all, Mrs. Manley,
its going to be a hot race.
May the best team win.

Sincerely
Mike

and saw the Cubans and
Homestead - The first game ended
8-6 in Homesteads favor -
Johnny Taylor was hit hard
as was Walker of Homestead.
Both were taken out. The crowd
was around 2500 people.

Stars and Baltimore played
here Saturday to a good crowd
despite rain at 3 p.m. They also
played in Balto. yesterday before 3000
fans. Stars lost 2 more, which
makes 8 straight losses including
exhibitions. They are very weak in
the infield.

The Cubans are going to
surprise everybody. They looked good
to me and will cause trouble if
they get pitching. Boy what a
difference from last year.
